

List of Recommended Service Providers

Updated: 23rd February, 2015

International Branches

Please note that for large auditing firms listed (such as KPMG and PriceWaterHouseCoopers), all of their international branches need to be approved as a Recommended Service Provider (RSP) separately. Each branch not listed as a RSP (“Non-Listed Branch”), will need to submit a separate application form to seek approval, or alternatively, the Non-Listed Branch will need to have all their audits approved by a listed branch (listed branch refers to a branch approved as a RSP). However, we request that you initially approach the LBMA Responsible Gold Contacts listed for each institutions so that they can assist their colleagues.
