### **Greatest Gold & Refinery Co. Ltd added to the LBMA's Good Delivery List for Silver**

---

The LBMA announces that the Greatest Gold & Refinery Co. Ltd has been added to its Good Delivery List for silver, with effect from 21 June 2004. The company is the first refinery from Thailand to be accepted onto the LBMA's Good Delivery List.

The company's refinery, which is located in Bangkok, has met the LBMA's quantitative criteria of minimum production level (30 tonnes p.a. of silver) and tangible net worth (at least £10 million equivalent). It has also passed the LBMA's exhaustive testing procedures, under which its silver bars were examined and assayed by independent referees, and its own assaying capability has been tested.

Greatest Gold is a refiner of gold and silver and a manufacturer of products for the jewellery industry. It is the largest refiner in Thailand.

#### **Background**

The London Good Delivery List of Acceptable Refiners of gold and silver is maintained by the LBMA, by whom it is copyrighted. It lists those refineries whose gold and silver bars have been found to meet the required standard for acceptability in the London bullion market when originally tested. The List currently includes 52 gold and 66 silver refiners.
