Musuku Beneficiation Systems Pty Ltd added to the LBMA's Good Delivery List for Gold

The LBMA announces that the Musuku Beneficiation Systems Pty Ltd in South Africa has been added to its Good Delivery List for gold, with effect from 31st August, 2005. Musuku Beneficiation Systems Pty Ltd is the wholly owned refining operation of Harmony Gold Mining Company limited. The company is the second South African refiner to be accepted onto the LBMA's Good Delivery List for gold.

Musuku Beneficiation Systems Pty Ltd has met the LBMA's quantitative criterion of minimum production level (10 tonnes p.a. of gold. It has also passed the LBMA's exhaustive testing procedures, under which its assaying capability was tested and its gold bars were examined and assayed by independent referees.

Musuku Beneficiation Systems Pty Ltd's principal activity is the refining of Harmony's gold production at its refining operation in Virginia in the Free State province of South Africa.

Background

The London Good Delivery List of Acceptable Refiners of gold and silver is maintained by the LBMA, by whom it is copyrighted. It lists those refineries whose gold and silver bars have been found to meet the required standard for acceptability in the London bullion market when originally tested. The List currently includes 51 gold and 61 silver refiners.
